Program Confirmation Form and Conditions of Participation Agreement

I confirm my intention to participate in a Missouri School of Journalism program by submitting a program-specific, non-refundable deposit to the Cashier's Office, 15 Jesse Hall, and returning this signed form to the Global Programs Office (134 Neff Annex) with my program application materials by the designated deadline.

I understand that should I be accepted into the study abroad program for which I have applied, this acceptance agreement is a firm commitment to participate in this program. If I am not accepted into my program, my study abroad fee can be refunded to me. If an emergency makes it impossible for me to participate, I will notify the Global Programs Office immediately in writing.

I understand it is my responsibility to complete all necessary forms and procedures by the deadlines, and attend all mandatory orientations and meetings as designated to me by my study abroad advisor and the Global Programs Office. Failing to do so may result in dismissal from the program and forfeiture of fees.

I agree that if accepted into the program, I will work with the Global Programs staff to complete my program registration on my MU account. Dropping of any program registration must be performed by the Global Programs staff. Dropping from any part of the program registration on my account will result in a penalty fee of $100 and my program registration will be reinstated. *If withdrawing from a program with approval, I am responsible for any program fees already incurred, including non-refundable deposit.* Further, if I choose to withdraw from any part of the program once I have arrived in country, I agree to return home within three (3) days.

I agree that it is my responsibility to secure approval of courses and credit prior to going abroad and to remain in contact with the appropriate advisors while on-site. I will contact my academic advisor, International Admissions advisor, if appropriate, and my study abroad advisor in this process. It is not the responsibility of my study abroad advisor to approve credit.

I understand it is my responsibility to review my financial obligation relevant to my study abroad experience.

I have read, understood and agree to abide by the above conditions of participation.
