### Program Confirmation and Conditions of Participation Agreement

By submitting this form I confirm my intention to participate in my chosen study abroad program. I understand that my student account **will** be charged the nonrefundable deposit specified for my program below after acceptance into the program:

I understand that should I be accepted into the study abroad program for which I have applied, this acceptance agreement is a firm commitment to participate in this program. If an emergency makes it impossible for me to participate, I will notify the Global Programs Office immediately in writing.

I understand it is my responsibility to complete all necessary forms and procedures by the deadlines, and attend all mandatory orientations and meetings as designated to me by my study abroad advisor and the Global Programs Office. Failing to do so may result in dismissal from the program and forfeiture of fees.

I agree that if accepted into the program, I will work with the Global Programs staff to complete my study abroad course registration on my MU account. I understand that dropping from any study abroad course enrollment must be performed by the Global Programs staff and that dropping from any part of the study abroad course enrollment on my account will result in a penalty fee of \$100 and my program registration can be reinstated.

If withdrawing from a MUJA program, I am responsible for any program fees already incurred, including non-refundable deposit, housing and airfare costs already incurred and if applicable. Further, if I choose to withdraw from any part of the program once I have arrived in-country, I agree to return home within three (3) days from the date of the withdrawal.

I understand that if I withdraw before or during my program due to a medical reason(s), all **uncommitted** portions of my deposit will be returned to me.

I agree that it is my responsibility to secure approval of courses and credit from my academic advisor prior to going abroad and to remain in contact with the appropriate advisors while on-site. I will contact my academic advisor, International Admissions advisor, if appropriate, and my study abroad advisor in this process. It is not the responsibility of my study abroad advisor to approve credit.

*I understand it is my responsibility to review my financial obligation relevant to my study abroad experience.*

*I have read, understood and agree to abide by the above conditions of participation.*

I hereby accept placement at:
