## Certifications

Are you currently 1) on scholastic probation; or 2) under any disciplinary sanction by the University?      Yes      No

Please note that the fact that a student is on probation or under sanction will be taken into consideration when making a decision regarding that student's application for study abroad and may result in the rejection of an application. As part of the application process, current academic and disciplinary standing will be reviewed. Failure to indicate probationary status will result in withdrawal of support for an application.

May the Global Programs Office or International Center release your name and e-mail address to other potential study abroad participants? Emails may be sent to groups of participants following acceptance to any one program.      Yes      No

May the Global Programs Office or International Center provide information related to your study abroad program to the person listed as your emergency contact?      Yes      No

I certify that the information in this application is complete and correct to the best of my knowledge. I understand that any action on this application is contingent on review of all my grades until the time of departure for the program. I further understand that if I incur a disciplinary sanction prior to my departure overseas, this may result in the withdrawal of support for my nomination. I understand that the application process may include supplementary materials, which I agree to complete promptly. If accepted, I will participate in all required orientations and complete all evaluations. I authorize the Global Programs Office to forward my transcripts and other relevant application materials to the overseas studies program(s) to which I am applying. Further, I authorize the Director of Study Abroad and/or appropriate staff to release any information deemed relevant to my health and/or safety. Finally, I understand that if I choose to walk away from my study abroad program, I forfeit the full deposit.
